## 2015 Club Service Projects:

**Food Boxes:** Bring can foods and non-perishable food items to each club meeting for food boxes to be donated by the club during the 2015 holidays.

**Trash Buckets:** Don't throw away your metal trash after you're through detecting. Separate your aluminum, brass, copper and lead items and bring them to the club meetings and place in RCTHA Buckets. At the end of the year we will cash all the metals in and give a gift certificate for a kidney dialysis.

## 4th Quarter Giveaway

Predator Detecting Shovel Model 35 - Piranha \$112.00 Value

This is a great digging tool for metal detecting, relic hunting, gardening, nursery, landscaping, and rescue work. It is a great tool for making clean-cut ground plugs. It tears right through the thickest of roots with its doubled-serrated edge. A great tool for relic hunters or for anyone else who needs a quality based digging tool. The Blade is Chrome-Molly 4130 Aircraft quality steel that has been heat treated and tempered, (one at a time) to give our customers nothing less than the best and strongest digging tools ever made. Size: 41" overall length with a 1" shaft and T-Handle. Measures 1 1/4 x 1 3/8". Blade measures 5" wide x 11 1/4 long. Weight: Approx. 3 lbs 2 oz

**Drawing will be December 8, 2015**

**RCTHA Rules for "Finds of the Month"**

- 1) To enter any item(s) in the **Finds of the Month** you must be a member of RCTHA and club dues must be current for the year.
- 2) Finds of the month consist of what you have dug or found while metal detecting or treasure hunting from the club meeting of the previous month to the current club meeting. For example, you cannot use an item that you found in June 2013 to be placed in January 2014. Finds of January 2014 must be found

between club meeting in December 2013 and club meeting in January 2014. Only finds found from the monthly meeting until the next monthly meeting will qualify for the Finds of the Month. **Finds of the Months can only be used once.**

- 3) Any item in any category may be removed by the Hunt Master and one other Board Member or Officer at their discretion if the item does not comply with the Finds of the Month rules. Only one item per member for each of the categories will qualify.
- 4) Any bottle found while in the process of metal detecting on the surface of the ground needs to be placed in the JUDGE'S CHOICE category. All other bottles dug while metal detecting is to be placed in the RELICS or JUDGE'S CHOICE categories. If placed in RELICS, it must be 75 years old or older.
- 5) If you find multiple items of the same category, the first one must go in the applicable category. The additional item(s) can be placed in JUDGE'S CHOICE or RELICS. If placed in RELICS it must be 75 years old or older.
- 6) Pictures and descriptive materials may be substituted for an item if the item is unavailable for display.
- 7) Any current member can vote on Finds of the Month. You are allowed ONLY one vote per category.
- 8) **You must be present at the club meetings** to submit your finds for The Finds of the Month.

**FIND OF THE YEAR:** Only items entered in the "Finds of the Month" and winning **first place** during the year may be entered in the Find of the Year competition. This runs December through November each year and the Board members will elect and announce the winner during the December club meeting.

**DIGGER OF THE YEAR:** The Digger of the Year Award will be determined by total amount of points won from the years Finds of the Month competition. First Place = 3 Points, Second Place = 2 Points and Third Place= 1 Point. There will be a monthly score sheet listed in the newsletter who the leading digger is.

**COINS:** Must be dug while in the process of metal detecting or while treasure hunting (i.e. prospecting, dredging, mining, etc). No coins found in planted competition hunts or won by previous wins in the Finds of the Month can be used in this category. If more than one coin is found, one coin must be placed in the COINS category. Additional coins may be placed in JUDGE'S CHOICE of any date or in the RELICS category if it is 75 years old or older.

**JEWELRY:** Must be dug while in the process of metal detecting or while treasure hunting (i.e. prospecting, dredging, mining, etc). No jewelry found in planted competition hunts can be used in this category. If more than one piece of jewelry is found, one piece of jewelry must be placed in the JEWELRY category. Additional pieces of jewelry may be placed in JUDGE'S CHOICE or RELICS if it is 75 years old or older.

**TOKENS:** Must be dug while in the process of metal detecting or while treasure hunting (i.e. prospecting, dredging, mining, etc). No tokens found in planted competition hunts can be used in this category. If more than one token is found, one token must be placed in the TOKENS category.
