HENDERSON NEWS

The Henderson News contacted me about doing a summer write up on a Henderson native and metal detecting. I went in for the interview on June 27th thinking they would use just a little of what I said and a small article. I was pleasantly surprised when they told me it was going to be a full-colored cover page for the Sunday paper! They did a great article and I had the chance to plug Rusk County Treasure Hunters Association, as well as, the TAMDC.

Also, I want to let RCTHA know that I recently started a YouTube Channel called Preacher Digger documenting all my treasure

hunting adventures. Please log on to YouTube and Like, Subscribe, and Share my videos. I have two videos uploaded and another one this later this week. Enjoy!

June RCTHA Meeting

We had 22 members at our June 2018 meeting. Since Bobby Pierce was not at the May meeting, he was presented a certificate and a silver round for his volunteer work in helping at the RCTHA booth at the TAMDC convention in Temple, Texas. Thanks for all of your help, Bobby!

We did not have a Speaker of the Month, but Keith Wills talked about the upcoming event for the handicapped kids put on in Kerrville, Texas in June. He is looking for any and all volunteers he can get as well as donations of foreign coins to use in the hunt for the kids. All donations and volunteering I know will be much appreciated and needed.

Also, September 1st, Joann and Skipper Dunn are putting on a hunt for the Wounded Warriors. They are asking for volunteers with extra detectors to use with the wounded warriors. This is for a great cause for our veterans that have given so much for their country and our freedom. Please see Joann about what you can do to help.

RCTHA Park Tokens - As of 7/10/18

Park Tokens are planted in the following parks (see below). We may plant additional tokens in other parks as the year progresses; you will be notified at the club meetings if we do. There will be **10 tokens in each park** worth either a silver dime, quarter, half-dollar, or dollar, and there will be one special token in each park worth a silver round. The Special Token will be a gold stamped Lost Treasure numbered token and other tokens will be a brass stamped RC numbered tokens or yellow/white numbered tokens. **All tokens are redeemable at any club meeting, and you must be a current paid dues member of RCTHA to redeem them.**
