RCTHA NEWS

We had 24 members at our November meeting that braved the cold weather to come. We did not have a Speaker of the Month, but Keith Wills and Michael Heim took questions in regards of what types of coils is best in certain situations as well as what is the best setup for beach hunting.

We had our Officers election for the new Officers starting in January. Everybody kept their same positions except we will have a new treasurer, Joann Dunn. We want to say to Margaret Logston thank you for the year you served and got out finances well organized.

There are some changes made in the Finds of the Month Competition and can be read in the back of the Newsletter under information pertaining to Relics.

For more information check out the RCTHA website.

In other news, our President started a new YouTube Channel called Preacher Digger documenting all his treasure hunting adventures and more. Please check him out on YouTube and Like, Subscribe, and Share. Enjoy!
