RCTHA NEWS

We have as our special guest this meeting author Gary Pinkerton. Ever since Gary first learned that a rut across his family land was the route of Trammel’s Trace, his passion for learning more about the old trail has resulted in a book titled, *“Trammel’s Trace: The First Road to Texas from the North.”* Tonight, Gary will speak about Trammel's Trace, as well as, speak on his new book due out in April 2019, *“True Believers: Treasures at Hendricks Lake.”* He will have books available to purchase. For more information about Gary please check out is Facebook Page @Gary Pinkerton.

In other news, we had a great turnout with 40 members at our February meeting. Unfortunately, it started a little late because we were locked out of the church for a while. Our prayers are with Bob Brown who is the normal key holder who was in the hospital. Terry Smith was our Speaker of the Month. He had a lot of finds on display from a Ghost Town that he has hunted in the past. We appreciate Terry for volunteering to speak and bringing those great finds to the meeting.

Also, the TAMDC convention coming up soon and we'll need help with the booth. It's in Carthage this year so please come and help with the booth for a couple of hours then enjoy everything that the convention has to offer.
